Amendment 3

The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

**SAN GABRIEL VALLEY
LANDSCAPE AND GROUNDS MAINTENANCE SERVICES
SUPERVISORIAL DISTRICT 1
3 VOTES**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that this additional contract work is exempt from the provisions of the California Environmental Quality Act (CEQA).
2. Approve an amendment to Contract No. 73272 with Midori Gardens and Landscape Services, located in Santa Ana, California, to include landscape maintenance services to the Road Maintenance District 1 facility, located within the First Supervisorial District.
3. Delegate authority to the Director of Public Works to execute the amendment.
4. Authorize Public Works to encumber an additional annual amount of \$10,222, increasing the annual not-to-exceed amount from \$40,668 to \$50,890 during the fourth year of this contract and from \$35,168 to \$45,390 during the fifth and final option year of this contract, plus 15 percent for additional, unforeseen landscape maintenance services within the scope of this contract. Funds are available in the 2003-04 Road Fund budget.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

On March 6, 2001, Synopsis 52, your Board awarded Contract No. 73272 to Midori Gardens Landscape Services to provide landscape maintenance services at various medians located in Supervisorial Districts 1 and 5. The purpose of this requested action is to amend this contract to include landscape and maintenance services for Public Works' Road Maintenance District 1 facility, located at 14747 East Ramona Boulevard, Baldwin Park, California in Supervisorial District 1. At the County's discretion, this contract allows for the addition of locations within a five-mile radius of the contracted facilities, provided that the cost does not exceed the cost to provide the service for similar facilities that are subject to the contract. The contractor's price for providing this proposed additional service is consistent with its rate for the facilities currently maintained and the location is within five miles of the currently maintained area.

Implementation of Strategic Plan Goals

This recommended action is consistent with the County's Strategic Plan Goals of Organizational Effectiveness and Fiscal Responsibility. This amendment will improve internal operations through the utilization of this contractor's expertise to effectively provide landscaping services in a timely, responsive, and cost-effective manner, as well as improve the quality of life in the County.

FISCAL IMPACT/FINANCING

This recommended amendment will increase this contract's annual not-to-exceed amount by \$10,222, from \$40,668 to \$50,890 during the fourth year of this contract and from \$35,168 to \$45,390 during the fifth and final option year of this contract, plus 15 percent for additional landscape maintenance services within the scope of this contract. This contract remains cost-effective. Funds to cover this amendment are available in the 2003-04 Road Fund budget. There will be no impact on net County cost.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Prior to the Director executing this amendment which is substantially reflected in the Enclosure, the contractor will execute and County Counsel will review it as to form.
